

# **Chatter Boxes**

## **What is a chatter box?**

It is a box of items, centered on a theme.

## **What's it for?**

To help assist in brain stimulating conversation with a resident.

## **THE GOAL:**

To help family members & visitors who have difficulty coming up with ideas to talk to their loved ones about.

## **Who can use it?**

Any staff member, family member, or visitor!

## **Where are they?**

In the gray cabinet underneath the shutters in the front lobby .
